

GLOBAL WAR ON TERRORISM VETERANS

The Vet Center welcomes home
Afghanistan and Iraqi veterans by offering
informal groups on transitioning back home.

Have you transitioned fully from the conflict zone to back home?

Are you and your significant other arguing more than usual?

Do you feel out of sync with everyone else?

Do you have difficulty connecting with old friends and family?

Are you drinking more than usual? You're not alone.

Come to the Madison Vet Center located at 706 Williamson St.
